AMEND Senate Joint Resolution No. 510*

by deleting the language:

that the General Assembly supports increasing access to high-speed Internet connections in rural areas through any available source, including wireless, by using a combination of tax incentives, grants, or the removal of regulatory restrictions.

and substituting instead the language:

that the General Assembly supports increasing access to high-speed Internet connections in rural areas through any available source, including wireless, by using a combination of tax incentives, grants, or the removal of regulatory restrictions as the General Assembly deems as unnecessary.
